Student Skills & Experience

A clear definition of the level of skill and experience required is essential to ensure students can keep up in the class. Please consider the degree of challenge in course exercises and projects, as well as individual attention and support required for each student.

Beginner

Suited to those who are new to the course area or may have little or no experience.

Everyone

Suitable for a range of experience and skill. Tutors understand that there will be varying skill levels and will adapt to the needs and interests of all students.

Intermediate

Suited to those who have some experience, but are looking to learn new techniques and explore more complex projects

Advanced

Suited to those who has been practicing in this area for an extended period of time and are confident with techniques and self-directed projects

PROPOSED COURSE DETAILS

In completing this section, please consider:

- What the students will learn and experience
- What students might expect to make or do in the class
- What materials and processes will be used
- Principles, skills and techniques you plan to cover
- For performing arts courses, final performances
- Projects or works students will complete / take home
