Grant Guidelines Round 1 – March 2019

Introduction

Camp Creative is an annual summer camp for families and individuals held in Bellingen NSW. It is all about imagination, innovation and enjoyment. It is a learning event where you mix with people of widely differing interests and ages in a relaxing and creative atmosphere.

The objects of Camp Creative are:-

- To bring people together of all ages in a creative atmosphere and encourage them to try something different and to find their own creative spark;
- To provide an affordable family friendly event that promotes interests and participation in all areas of the arts;
- To provide the best possible experience to the participants by finding inspiring tutors, having appropriate course sizes and upgrading facilities where needed;
- To maintain a strong foundation for the future we will retain financial security for future camps;
- Where possible to encourage and provide financial assistance for worthy pursuits of the arts in our community; and
- Bring economic benefits to our local community.
